Computing in Engineering Education

presents

Bytes and Bites on Cloud Computing

Join us on November 15th, 5:30pm to 7pm, MD G135, to get started on Cloud Computing with our devops experts from SEAS. Bytes and Bites are interactive workshops open to all and intended to raise awareness on cutting-edge topics and technologies for computing in engineering. The workshop may be cancelled if there are less than five participants. Pizza will be served.

When: Nov. 15th, 5:30–7pm, Where: MD G135
