AWS Educate

AWS Educate

Amazon’s global initiative to provide students and educators with the resources needed to accelerate cloud-related learning and help prepare students for a cloud-enabled workplace.

AWS Educate provides:

- grant-based support for educators and students.
- content on the Cloud contributed by top educators and AWS to help you build your courses.
- training materials to help you skill up on AWS.
- collaboration tools such as a discussion forums, events, and places to upload and rate content
- credits to access AWS services for free.

What do you need

- An AWS Account, if you don't have one then go here http://aws.amazon.com/getting-started/.
- You are an educator or a student.

What do you get

- Educators in an institute (like Harvard) will get 200$ credit.
- Students in an institute (like Harvard) will get 100$ credit.

How to Apply for AWS Educate Credit for use in your AWS Account

- go to http://aws.amazon.com/education/awseducate/apply/
- Pick one of the three available options:
  - Educational Institutions: Should be applied by Harvard HUIT.
  - Educators: A professor, TA or a teacher (I will use this category as an example).
  - Students.
- Click on the Educators and on the following screen make sure to hit the educator box.
- Fill out the application
AWS will send an email to the email address you provide in the application to verify that your email is valid and you own this email. The email will include a verification code that you will use to continue the process.

- Use the verification code to continue the application process.
Step 3. Verify Email Address

We need to verify the email address you provided in your AWS Educate application before we can process it.

We sent an email address verification message to your mailbox at fadel@hanford.edu. Please check your messages and input the verification code provided in the email.

Please do not close this page until you enter the verification code sent to your email address. If you close this page before entering the verification code, you will need to restart the application process. If you don’t receive an email with the verification code in a few minutes, try checking your spam or junk mail folders.

**Verification Code**: 129119

Please click the box below to help assure that a person and not an automated program is submitting this application. If a set of letters is displayed enter them on the line. If you have any difficulty with the letters, you can click the reload icon to get a new set of letters, or click the headphones to hear audio of what to enter.

- Accept the terms and submit the form.

> We reserve the right to change these Terms of Service at any time. If we modify these Terms of Service, a revised version will be posted on the Program site. The date of the last modification to these Terms of Service is listed at the beginning of these Terms.

**6. Additional Terms:**

a. You may not issue any press release regarding the Program without our prior written consent.

b. You also agree not to misrepresent or mislead the relationship between you and us. For example, you agree not to imply that we support, sponsor, endorse, or contribute money to your teaching and research unless you have our prior written permission.

c. Program credits are valid for a limited time only and expire on the date indicated when you receive the Program credits (or such other date designated by AWS). Failure to use Program credits before such expiration date will result in the forfeiture of Program credits. We reserve the right to cancel Program credits at any time. No refunds will be granted for any expired or cancelled Program credits.

d. Program credits may not be used in a manner inconsistent with applicable laws or other terms governing the AWS Services.
