AWS Educate

Amazon’s global initiative to provide students and educators with the resources needed to accelerate cloud-related learning and help prepare students for a cloud-enabled workplace.

AWS Educate provides:

- grant-based support for educators and students.
- content on the Cloud contributed by top educators and AWS to help you build your courses.
- training materials to help you skill up on AWS.
- collaboration tools such as a discussion forums, events, and places to upload and rate content
- credits to access AWS services for free.

What do you need

- An AWS Account, if you don't have one then go here http://aws.amazon.com/getting-started/.
- You are an educator or a student.

What do you get

- Educators in an institute (like Harvard) will get 200$ credit.
- Students in an institute (like Harvard) will get 100$ credit.

How to Apply for AWS Educate Credit for use in your AWS Account

- got to http://aws.amazon.com/education/awseducate/apply/
- Pick one of the three available options:
  - Educational Institutions: Should be applied by Harvard HUIT.
  - Educators: A professor, TA or a teacher (I will use this category as an example).
  - Students.

- Click on the Educators and on the following screen make sure to hit the educator box.

Step 1. Choose Your Role

I am a(n)  📚 Educator  ⚒️ Student

Next
• Fill out the application

AWS will send an email to the email address you provide in the application to verify that your email is valid and you own this email. The Email will include a verification code that you will use to continue the process.

Email Verification

AWS Educate Application

1. AWS Educate Support/support@awseducate.com
2. to help:
4. Thank you for submitting your AWS Educate application
5. In order for your AWS Educate application to be processed, we need to verify your email address. Please use the verification code below to confirm your email address and complete your AWS Educate application.
6. 123456
7. Thank you.
• Use the verification code to continue the application process.

Step 3. Verify Email Address

We need to verify the email address you provided in your AWS Educate application before we can process it.

We sent an email address verification message to your mailbox at fidel@harvard.edu. Please check your messages and input the verification code provided in the email.

Please do not close this page until you enter the verification code sent to your email address. If you close this page before entering the verification code, you will need to restart the application process. If you don't receive an email with the verification code in a few minutes, try checking your spam or junk mail folders.

Verification Code 129119

Please click the box below to help assure that a person and not an automated program is submitting this application. If a set of letters is displayed enter them on the line. If you have any difficulty with the letters, you can click the reload icon to get a new set of letters, or click the headphones to hear audio of what to enter.
