

# Home

## Welcome to Academic and Research Computing (ARC) User Documentation

- [Getting Started](#)
- [SEAS Login Server](#) (how to access the SEAS compute resources)
- [How To Connect](#) (including info on how to set up your SSH keys)
- [Shell, Environment, and Modules](#) ( how to load application software using the 'module' command)
- [Overview of Compute Resources](#)

For help and in-person appointments contact us at : [help@seas.harvard.edu](mailto:help@seas.harvard.edu)

For info on IT issues visit <http://www.seas.harvard.edu/computing-office>
